EMCC Hosts Healthcare Exploration Event April 15, 2009

Estrella Mountain Community College will host a healthcare exploration event on Wednesday, April 29, 2009, from 1 – 5 p.m. at its Avondale campus on the northwest corner of Thomas and Dysart Roads. The free event will be in the SouthWest Skill Center on the southwest side of campus.

This will allow students and community members to meet healthcare professionals and learn about healthcare careers and the educational pathways to help them get there. There will be representation from several Maricopa Community Colleges that offer healthcare programs, as well as from the Phoenix Fire Department, Grand Canyon University, and University of Phoenix. Other areas that will be represented include fitness, health and wellness; and counseling and social work. There will also be a financial aid/scholarship workshop where participants can learn more about financing their education and ways to overcome other obstacles to earning a degree and securing future career opportunities, as well as an open testing session from 5 – 7 p.m. for any participants interested in registering for Skill Center programs.

For a complete listing of career areas and a schedule of presentations corresponding to each area, see below:
