The cities of Avondale and Goodyear host a joint parade through both cities to commemorate Arizona's 100th anniversary of statehood. Entries like floats, bands, cars and horses are included and the parade begins at Litchfield Road and travels east from Thomas to Dysart roads. An outdoor "Trains, Planes and Automobiles" festival at the college after the parade features Charlie Chopper, a vintage "hardbelly" helicopter first put into action in Vietnam in 1970. Gourmet food trucks, live music, antique car displays, bounce houses, arts and crafts, face painting, carnival games and balloon and caricature art are also offered. Parade begins at 10 a.m., while the festival runs from noon to 3 p.m.
