

EMCC set to celebrate its largest-ever number of graduates

PHOENIX (AP) - Estrella Mountain Community College is set to celebrate its largest-ever number of graduates during the commencement ceremony Friday, May 15.

School officials say more than 460 students have graduated from the Maricopa County community college including students from its summer 2014 and spring 2015 semesters.

Officials say that students, faculty and staff have helped foster a "culture of success" to inspire students and personalize their goals.

The community college will celebrate the success of its graduates during the commencement ceremony held at the Renaissance Glendale Hotel that will feature the theme "Teaching for Today. Learning for Tomorrow. Caring for a lifetime."
